Complexity Metrics

- Word Count: 41
- Sentence Count: 4
- Avg. Words / Sentence: 10.2
- Avg. Word Length: 4.8
- Vocabulary Diversity: 87.8%

Strengths

- The text has a clear introduction which immediately states the writer’s name and position, providing essential context.
- There is an honest and natural tone in the expression of skills and hobbies.

Style Improvements

- Consider starting each sentence with a capital letter to enhance clarity and adhere to proper German grammar.
- Use commas to separate items in a list for better readability and flow.
- Employ full sentence structures and proper punctuation to create a more formal tone, especially if this is a professional introduction.

Vocabulary Enhancements

- **sehr schlecht** → ungenau, fehlerhaft, mangelhaft
- **machen** → ausüben, betreiben, praktizieren
- **Fehlern** → Ungenauigkeiten, Missgriffen, Irrtümern

Structure Suggestions

- Break the text into several sentences for better structure and comprehension, such as one sentence introducing yourself and another detailing your hobbies.
- Ensure each hobby is separated by a comma and consider using conjunctions like 'und' for the final item to improve the list's flow.
